- Deportation proceedings have been publically announced against WANG Chi Yuan (HUANG Chou-kuei), aka OEY Tjioe Kwie, editor of the Sheng Huo Pao. The reasons for WANG's deportation are:
  - His severe editorial attacks against Indonesian leaders and dissemination of Communist propaganda.
  - His alleged involvement in gold smuggling for the use of subversive Chinese Communist elements.
  - WAFG's activities as a main contact between the Chinese Embassy and Communist groups, both Indonesian and Chinese.
- Ambassador WANG Jen-shu and Corsul General HO Ying have conferred with Indonesian police of cials and with ex-Foreign Minister Mohammed Rum in an effort to have the deportation dropped. However, it is believed the action wi'' still go through.
- The police realize that the diplomatic immunity of the Chinese Embassy staff makes it difficult to stop their subversive activities. Nevertheless, measures can be taken against local people, especially if they are not Indonesian citizens. The police are starting with WANG Chi Yuan because they have sufficient evidence against him.
